SIR,

I have the honour to forward herewith for kind perusal the proposed amendment to the bye-laws framed by the Davangere -
Municipal Council in regard to the refining of gold and silver under Section 48(b) and Section 151 of the Municipal Regulation of 1906
sanctioned by Government in their order No. L. 1222/Ml. 55-21-1977 dated 2-3-1922 and amended by Government in their order No. L. 3702/Ml. 67-29-20 dated 23-11-1929 and to state that these revised draft bye-laws were approved for the first time by the Municipal Council in their meeting held on 26-5-1933. Objections were called for from the public by publishing them in 3 successive issues of the Mysore Gazette commencing from 20-7-1933 by circulation of spare copies in the Town, by affixing them on the notice board of the Municipal office, Octroi Office, Taluk Office and the SubRegistry Office. As no objections were received within a period of one month in response to the notice, the amendments to these bye-laws were finally approved by the Municipal Council at their meeting held on 1-10-1933. Copies of the resolutions, a printed copy of the amendment to the existing bye-laws and a copy of the existing bye-laws are enclosed herewith for ready reference.

Under these circumstances, I request you to be so good as to obtain and communicate the sanction of Government for these amendments at an early date.

Resolution:-

Resolved that the existing bye-laws may remain
 they are and no change is necessary for the
 assent, as the question of levying octroi is under
 consideration. Regarding second item of refining
 Gold and Silver by acids it is resolved that this item
 may be included in the dangerous and offensive trade
 bye-laws and a licensing fee of Rs. 5/- may be levied.
 Further it is resolved that this business in the interior
 part of the town is injurious to public health. Therefore
 the shops which are in the interior part of the Town
 may be shifted to the factory area.

Approved.
